How to find and order trainings

January, 2010

How to find information

The screenshot shows the Alcatel-Lucent Enterprise Solutions User Group website. The header includes the logo and tagline "Your knowledge-building community". The navigation menu contains "About ALESUG", "Member Tools", "News & Events", "Local User Groups", and "Contact Us". The main content area is titled "Training" and features a section "Get more out of your Alcatel-Lucent applications" with a paragraph of text. Below this is a section "Alcatel-Lucent Enterprise Educational Services presentation" with a list of items: "Brochure", "Part 1: Training for the administrator", and "Part 2: Training for the end user". Under "Course descriptions:", there is a list of links: "Training offer for end users", "Training offer for administrators", "Technology training offer", and "Global training offer". Under "Courses:", there is a list of links: "Course and registration information" and "Provisional course schedule". A sidebar on the right titled "ALESUG benefits" lists several bullet points. Two red boxes highlight the "Course descriptions" and "Courses" sections, with arrows pointing to the text "Curricula & program files" and "References, duration & delivery mode" respectively.
